No. 2015-10

National Geospatial-Intelligence Agency director to address media at 31st Space Symposium

SPRINGFIELD, Va. — The sixth director of the National Geospatial-Intelligence Agency, Robert Cardillo, will hold a news conference on April 14, following his keynote remarks to the 31st Space Symposium in Colorado Springs. Cardillo will be available to answer questions from 11:30 a.m. to noon MT, for members of the media in attendance.

The media availability is located in the Space Symposium media center on the second floor of the Broadmoor convention hall. If interested in attending, please sign up in the media center. For more information, see NGA's [online press kit](#).

For questions or additional details, please contact NGA chief of media relations Don Kerr, 703-600-9248 or donald.b.kerr@nga.mil.

#

NGA delivers world-class geospatial intelligence that provides a decisive advantage to policymakers, warfighters, intelligence professionals and first responders.

NGA is a unique combination of intelligence agency and combat support agency. It is the world leader in timely, relevant, accurate and actionable geospatial intelligence. NGA enables the U.S. intelligence community and the Department of Defense to fulfill the president's national security priorities to protect the nation.
